## SENIORS ELECT OFFICERS.....

On Sunday last, members of the Sr. C.Y.O. elected the officers for the year 1947-48. Those elected were as follows--President, Mike Dudowich; Vice-President, Benny Scagnetti; Secretary, Rena Farenzena, and Treasurer, Diane Scagnetti.

It was hoped that the above Executive will carry on the work of their predecessors, and as efficiently. The Reverend Moderator takes occasion of expressing a vote of thanks to last year's Executive, who he states accomplished a great deal under various and adverse circumstances. He also voices appreciation for some of the members on the Committees, and wishes that the new Executive draw up Committees worthy of their position.

## PUBLIC SCHOOL STUDENTS' MUSICAL

The pupils of the Garson Public School entertained a large audience at the school auditorium on Wednesday, March 20th, in the form of a Musical program. Included in the evening's program were the Junior Girls' Choir, singing the opening selection. Enjoyable piano selections were given by Sheila Brodie, Donald Tarrant, Kathleen Sullivan; while the violin solos of B. Quilty, C. Carr, and H. Spencer were much applauded by those in attendance. Also, the vocal selections of Diana Kirk, Billy Mills, Terrie Gommoll, and John MacIver added great enjoyment to their listeners. An innovation to the program was the guitar and mandolin medleys played by Shirley Armstrong and Ola Kouch respectively. The Girls' and Boys' Chorus, conducted by Mrs. M. Gommoll and L. J. Atkinson, accompanied on the piano by Professor Wright, sang several numbers throughout the program, also prizes were presented to the pupils who won the Poster Contest and the Y.M.C.A. Arts & Crafts Contest. Awards were given by the School Board, presentations being

## THE MODERATOR'S COLUMN.....

Dear Members:

Have you noticed how fast Lent is slipping by? Once we realize this fact, you can ask yourself the question--'how have I been keeping my resolutions?' Undoubtedly, we all made resolutions, and most probably we have slipped along the way; we ate that chocolate bar without thinking, or perhaps that piece of pie; surely we did not catch ourself chewing gum. In any event, if we have slipped along the way, we should now resume our efforts for one grand finale.

Days passed quickly, and today, we celebrate Passion Sunday, next week Palm Sunday, and then the glorious feast of Easter. Therefore keeping this in mind, we should take stock of our spiritual life, just to find out how we have been keeping Lent. In making the sacrifices now, we shall store up an adequate spiritual bouquet to present to our Risen Saviour on Easter Morn.

Let us not leave everything to the final days for in proportion to our preparation--so will be our offering, and since we wish our Offering to be the best possible, then, we should act accordingly. Surely we do not wish to be numbered among those who have nothing to offer; who started well but slipped along the way, and then did not resume their efforts; who made resolutions on Ash Wednesday but were long forgotten by Easter Sunday.

Forgetful as we may be, a reminder is not in vain; therefore, let us recollect our good intentions, consequently, whether we have kept them or not, we shall in the end profit since it will be as we so wished.

## EDITORIAL

"RECTITUDE IS A PERPETUAL VICTORY"

### OUR NEW BULLETIN

--Diane Scagnetti.

Within a month's time, we definitely intend to publish a new type of Bulletin format, that is in magazine form--and that means, more material, and more work! So, members, we call upon you to make this new enterprise worthy of reading, hence a success!

As we all know, in the past, regardless of the times you were approached for Bulletin material, matter was not submitted. But--didn't we hear the critical comments? Act now--this is your opportunity to put your thoughts in action!

For the coming new Edition, different individuals will be requested to prepare certain matter for each week. You will be approached by the Editor, about a week or two in advance, therefore, sufficient time will be allowed you to provide the required material.

So, members, when you are asked to write certain columns by the Staff, do not be indifferent--and refuse, as my 'fine-weathered friends', this is YOUR paper, not an individual's or a two or three writer--issue of a weekly Bulletin; therefore, you are earnestly asked to readily supply any work for publication that is asked of you.

If, we work hand in hand, this publication of the new format of the C.Y.O. Bulletin, undoubtedly will fulfill our aims, and prove a great interest to our readers.

## ANNOUNCEMENTS

### IMPORTANT TO OUR READERS!

Have you any comments, critical or otherwise? Have you any troubles?? You have! (So have I!)

Well, here's the answer--in future issues, a column will be set aside for LETTERS TO THE EDITOR; so instead of 'blowing your top' elsewhere, why not let us hear all about it? Or, if you have any new suggestions--let us know about them. Kindly have these letters submitted for publication before Wednesday of each week.

### OVER THE MILES.....

### TORONTO, Ontario--

From the Queen City, we hear from Mr. & Mrs. Steve Kulyski, who left Garson in 1941 to take residence in Toronto. At present, Steve is employed in an Automobile plant. Stella (Mrs. Kulyski) intends to visit with her sister, Mrs. W. J. Comrie, shortly. Address is 103 Victor St., Toronto. ....

### PROBLEM.....

Answer to last week's-- five chicks.

Try this--Joe and Jim were playing marbles; for every 8 Joe had, he now has 5; for every 8 Jim had, he now has 11. Nine marbles changed hands. How many did each have when they started, and how many has each at the end of the game?

## HELPFUL HEDDIE SAYS.....

### LISTEN AND ATTRACT:

Most people like to talk and express themselves. You give untold pleasure when you help them to do so. You would be surprised if you could know how many of your friends are quite lonely and need some understanding soul 'to tell things to'--For one reason or another, good listeners are always in demand.

Good listening does not mean sitting dumb. You should say little things to help your friend along. Let your face and your eyes show that you hear him. Do not look glum when he tells you of his success. Enjoy it with him! Above all, never make sarcastic remarks, or cast doubt on his truthfulness, even if it seems funny to do so.

Good conversation is comradeship. When your friend talks to you about his favorite idea--do not butt in with something entirely different when he has finished--as tho' you were not with him in spirit.

Again I say--'listen and attract'.

Spring is around the corner.

Norma Larrott will some day learn how to whistle.

Abele Crisante is a 'lover' of Western Music, with Dave Mann coming right behind.

## THIS'A and THAT'A.....

It's been said that Shirley Smerdon has suddenly taken a liking to 'bell-hops'--wonder who's new on the job now?

Are Scagnetti's actually selling Christmas trees at this time of the year--or could it be certain parties responsible for parking such trees on their doorstep? (How about it, Mary and Olga?)

Who is this 'Aubrey' that we've been hearing so much about? (Can you tell us, Maureen?)

Our 'little man of iron'--alias Howard Beaudry--made a trip up North (to play hockey, incidentally). Too bad, Howie, the 'cute redhead' was in town!

The local barbers report that they have been tres-busy with all of our boys getting the 'oh-so' popular brush-cuts. And, aren't they too-too-divine!

That sure was fast work, Rosie! Five seconds to get in--and one second to get out!  
P.S.--Ask Rose for further info!

## SPORTS.....

### MIDGETS ELIMINATED

Saturday last was a fatal day for the Garson Midgets in the Nickel Belt League as they suffered a 4-3 defeat at the hands of Coniston. The game was played at the Copper Cliff Stadium, and for the most part it was a good game; the local boys overtook a two-goal handicap as Mann and Bergeron tied it up. Coniston sunk in a third goal, but Gemmell in a brilliant display of stick-handling flipped the rubber to blink the light. However, in the dying moments of the game in a ganging play, Coniston succeeded in adding the fourth counter, and thereby winning the game. Bill Thorburn in the Garson nets played a marvellous game, but unfortunately the puck slipped in once too often.

How Kaye Moir appreciates the act of digging holes and leaving them uncovered--rather dangerous as someone may fall in, don't you think so, Kaye??

Whether George Morin is starting a new fad with his new Hair-do?

If Egan knows the difference between 'nicotine and Dentyne'?

Whether Mr Frank Mazzuca Made A Special trip To Garson Last Sunday Evening to discuss his poring-out affair??!
